

**MAA OHIO SECTION  
3<sup>rd</sup> ANNUAL  
STUDENT TEAM  
MATHEMATICS  
COMPETITION**

**University of Akron on Friday March 31st, 2006  
Noon-1:20 p.m.**

**Cash Prizes will be awarded at the  
Meeting!**

**RULES**

- Each team will consist of **at most three students from the same institution**. Teams may work together and will submit one set of solutions per team.
- Participants must be **undergraduate students** and currently enrolled at the institution they represent.
- Each team must have a faculty sponsor. Faculty sponsors must register their team(s) in advance (see below). Faculty members may serve as sponsors for any number of teams from their institution
- **No calculators, computers, or technology of any kind are allowed.**
- CONSTUM is solely responsible for the grading, judging and evaluating of the competition.
- CONSTUM is solely responsible for interpreting the rules and for ruling on any unforeseen situation.

The contest problems will be drawn from the standard mathematics undergraduate curriculum and will vary in difficulty. The problems will not be multiple choice, but will require computation and/or explanation of answers. Some of the problems will involve topics accessible to a sophomore level mathematics major (e.g. calculus, linear algebra, discrete mathematics, etc.).

**Faculty sponsors may register teams by e-mailing the CONSTUM chair, Darren Wick ([dwick@ashland.edu](mailto:dwick@ashland.edu)) by Friday March 24<sup>th</sup>.**
