

3450:222-004      **Who Are You?**      Fall 2006

---

1. What is your name?
2. How do you prefer to be addressed (e.g. Jenny, Mrs. Estafen, Ruihua, etc.)?
3. What is your contact info like a phone number or e-mail address? (optional)
4. In what town, neighborhood, or dorm do you live? (optional) This information could be useful in putting together informal study groups.
5. What is your major or projected major?
6. Do you know how to use a graphing calculator?
7. What graphing calculator do you own, if any?
8. How many credit hours are you taking now? (optional)
9. What is your outside job, if you have one, and how many hours per week do you do it? (optional)
  
10. Tell me something more about yourself.
