

3450:135-001 Who Are You? Spring 2003

Please fill out this survey and turn it in on the second day of class.

1. What is your name?
2. How do you prefer to be addressed (e.g. Maggie, Mrs. Young, etc.)?
3. What is your contact info like a phone number or e-mail address? (optional)
4. What is your major or projected major?
5. What is your year (e.g. freshman)?
6. What was your most recent math class, and when did you take it?
7. Why are you taking this course?
8. How many credit hours are you taking now? (optional)
9. What is your outside job, if you have one, and how many hours per week do you do it? (optional)

10. What else would you like to tell me about yourself?

See prerequisite notice on the reverse.
