

Hello 3D World!

$$\int_0^5 f(x) dx$$

With text knockout false (/TK false).

Hello 3D World!

$$\int_0^5 f(x) dx$$

With text knockout true (/TK true), the default.

When the content to be made transparent has verbatim text, use the environment version.

% ~ \$ & # {

A wide-angle photograph of the Grand Canyon under a clear blue sky. The canyon's layered rock formations are visible in shades of red, orange, and brown. In the foreground on the right, there are green trees and a rocky ledge. Overlaid in the center of the image is the text "% ~ \$ & # {" in a yellow, monospace-style font.
